I am Li Ming. I found a schoolbag on the playground today. There was a photo of G.E.M., a hair band and a basketball in it. At first, I thought the schoolbag might belong to Li Shan, because she is a fan of G.E.M. But when I saw the hair band and the baseball, I changed my mind. Li Shan has short hair and she doesn't use the hair band. What's more, her favorite sport is baseball. So the schoolbag can't be Li Shan's. I thought it must belong to Liu Fang. She likes G.E.M. very much. And she has long hair. She often uses hair bands. Besides, she likes playing basketball best. So the schoolbag must be hers.
