Dear Jenny,

How's it going? I miss you very much. When I got to Beijing three months ago, I felt very lonely and sad. I had no friends to talk with. I was not good at Chinese. So my Chinese teacher helped me. He also taught me how to smile at life. Now, I don't feel lonely. I live happily again. On weekends, my classmates and I often go to some villages to help some poor students. We send some old books to them and play with them.

Please write back soon.

Yours,

Betty

Good morning, and welcome to Star Language School. I hope you will have a good time here. First, let me tell you something about the school. On the first floor, there is a library. The library has a lot of books and DVDs. You can take the reading books and DVDs home and you can keep them for two weeks. But you can't borrow grammar books. You can only use them in the library. On the second floor, there is a small computer room. It's often busy, so you should sign up to use it. On the ground floor, there is a small café where you can buy hot and cold drinks, sandwiches and chocolate. You may be interested in our activity program. We organize trips every Saturday. This week, there will be a trip to Warwick where you can see a great old building. If you want to go on this trip, please speak to Susan in the office.
