5. —Which animals do you like best, Mum?

—I like pandas because they are cute. But there are not many pandas in the wild now.

Question: Why does Mum like pandas?

六、听录音,根据短文内容,补全所缺的单词。

Shenzhen is in the south of China. It is a young and clean city now. You can see many trees and flowers there. It really looks like a garden. But a few years ago, the air was not so fresh in Shenzhen. Smoke from the factories, cars and buses made the city dirty. People often threw rubbish into the river. Now, people in Shenzhen work together to keep the city clean and healthy.
